**Scott Greenstone : Snooze. Pin. Done. Getting Things Done with Inbox by Gmail: Tips and Insights from Two Members of Google's Top Contributor Program** before purchasing it in order to gage whether or not it would be worth my time, and all praised Snooze. Pin. Done. Getting Things Done with Inbox by Gmail: Tips and Insights from Two Members of Google's Top Contributor Program:

0 of 0 people found the following review helpful. Get a head start on InboxBy PriyaI am a big fan of Google products - although I will admit, it did take me a lot longer to get my head around the concepts of Inbox, particularly bundling, done (rather than read) and snoozing than I thought it would.I really wish I'd had a book like this to get started with! It's quick, easy to follow and written by two of Google's Top Contributors - well worth getting if you're interested in taking Inbox for a whirl and trying "a fresh start that goes beyond email to help you get back to what matters."0 of 0 people found the following review helpful. not that useful - just RTFMBy Adrian A. Durllesternot particularly useful for anyone who was raised in RTFM mode.0 of 0 people found the following review helpful. Three StarsBy CustomerDoesn't cover all the various facets of Gmail, but it was a start.

A detailed examination into Google's latest groundbreaking entry into email management, Inbox by Gmail.

About the AuthorScott Greenstone is a self-proclaimed Google Fan Boy. His love of all things Google brought him to Inbox by Gmail and eventually to the Google Product Forums where he quickly rose the ranks to Top Contributor. Since becoming involved with the Google Product Forums and the Top Contributor Program (<http://www.google.com/get/topcontributor/>) Scott has become a Top Contributor in Gmail, Inbox by Gmail, Project Fi, Google Calendar, and Google Play. He is a Registered Nurse and works full time in electronic medical record implementation. Scott lives with his wife, 2 children, and dog on the East Coast of the United States. Russ Buchmann is a tech enthusiast (geek) who enjoys following the latest trends in technology and gadgets. He has been a long time user of many Google products and services and finds great satisfaction in helping other people learn about new things that can make their life better, more productive or just more fun. Also part of the Google Top Contributor Program, Russ is a Top Contributor for Gmail Inbox by Gmail as well as a Rising Star in Google Photos. For his day job, he is the head of IT for a regional retail chain and dabbles in marketing, design photography. He and his wife are proud

parents of two boys - plus the three feline members of their family.
